ANNUAL  
REPORT

*New era  
for TMI  
“Our new  
headmaster’s  
lifelong passion  
for school  
excellence will  
serve our  
community  
well.”*

## Message from the Bishop

Dear TMI Community,

I am pleased to introduce the TMI Annual Report for 2011-12. Having had two children graduate from TMI in 2010 and 2011, I know from firsthand experience what a blessing this school is to both parents and students.

TMI has been blessed from its beginning by acts of philanthropy. The generosity of the TMI family is a testament to a faithful community that believes in the value of challenging academics, servant leadership and strong character. Each gift strengthens the unique TMI experience for students, and I thank all who embraced our mission in 2011-12 through financial and volunteer contributions.

I also want to extend my thanks to the administration, faculty and staff for their dedication to the TMI school community in its many facets. We are blessed by their care for our students and their involvement in so many areas of campus life. In addition, I want to extend my personal thanks to Walter Spencer, who served as our interim headmaster for the 2011-2012 school year and is now head of school at St. James Episcopal School in Corpus Christi.

As you likely know, we are beginning a new era in the life of TMI with the 2012-2013 school year. We are delighted to welcome our new headmaster, Dr. John Cooper, and his wife Joan, who arrived on campus in July. Dr. Cooper comes to us from Elgin Academy in Illinois, having served as head of school there from 2000 through June 2012. Previously, he was headmaster of Wichita Collegiate School in Kansas from 1994 to 2000.

Dr. Cooper’s lifelong passion for school excellence and vast experience in preparing young people for the world in which they live will serve our community well. We could not be more pleased to welcome him and Joan into the TMI family.

I am excited about the future of our school in so many areas and look forward to seeing you on campus!

Faithfully,
