

Again,
I Say

Rejoice!

TMI Episcopal is pleased to present this report on school activities, finances and stewardship during the 2021-2022 year. This report celebrates the tremendous support of the entire TMI community and its commitment to advancing our school's mission.

The Apostle Paul, after being imprisoned for preaching the gospel of Christ, was visited by members of his church. Naturally, they were anxious, so Paul writes them an encouraging letter. Even from his prison cell, he shares these encouraging words with the church at Philippi:

¹ Therefore, my brothers, whom I love and long for, my joy and crown, stand firm thus in the Lord, my beloved... ⁴ Rejoice in the Lord always; again I will say, *rejoice*.

⁵ Let your gentleness be known to everyone. The Lord is at hand.

PHILIPPIANS 4:1, 4:4-5

LETTER FROM THE HEAD OF SCHOOL

Dear Panther family,

My heart is full as I rejoice over the 2021-2022 school year! As I pondered the theme for that school year, I prayed for something that would encourage hope and recognition of God's love. At a time when TV, social media, and adult conversations were leading to political tension, economic uncertainty, and pandemic fears, I wanted to remind our community that God is good and life is full of joy, even while facing uncertainty. The Apostle Paul came to mind as a wonderful example of seeking joy in circumstances that are less than ideal. As Paul sat in prison, on trial for his beliefs and his love of God, he wrote to his beloved Phillipians to say, "REJOICE, again I say REJOICE." He lovingly reminded his people that opportunities to see God's goodness abound. Paul's reminder is as powerful today as it was to his people 2,000 years ago. With a heart for God and a love of God's creation, we say REJOICE, for there is so much to be grateful for.

TMI had a successful school year with many accomplishments including

the largest enrollment in school history, ISAS and SAES accreditation, Panther Park groundbreaking, and exceeding the goal for The TMI Fund. We are extremely thankful for our volunteers and supporters who helped make Grandparents' & Grandfriends' Day, the Entrepreneur & Innovation Award Luncheon, and Stars Over TMI incredible, sold-out events. The Fine Arts Department had multiple students earn recognition in the TAPPS Fall Photo Program for beautiful and captivating works of art. TMI Athletics brought home state championships in boys cross country, girls swim, and boys lacrosse, and finished as the state championship runner-up in football, boys swim, boys basketball, and boys track. These achievements are a testament of the hard work and dedication of our students, faculty, staff, and volunteers.

At the beginning of the year, we welcomed talented new administrators who work tirelessly to elevate the TMI experience: Dr. Jasmine B. Harris, Head of School for Academics and Programs;

Mrs. Traci Hansen, Chief of Finances and Operations; Mr. Fred Kountz, Head of Upper School; Dr. Steven Fletcher, Director of Student Life and Upper School Dean; and The Rev. Dr. Benjamin H. Nelson, Chaplain. Their presence and contributions to the campus are remarkable and we are blessed to have them as they strive each day to put the needs of our students first and strategically plan for the future of TMI.

Each day, I'm thankful for every TMI student and every member of our faculty and staff—I rejoice in them. They amaze me with their talents, energy, enthusiasm, capabilities, and wisdom. Their individualities make us a better community. Thank you for your love. Thank you for your support. Thank you for the gift of your time, talents, and treasures. Thank you for making TMI who we are.

Love,

The Rev. Scott J. Brown
TMI Head of School

The TMI Way of Raising Great Human Beings

After graduation, TMI students continue to grow **WISER**:

Wisdom

Integrity

Service

Excellence

Reverence

CHERISHED

From the first moment at TMI, your child is loved. They are cherished for who they are and celebrated for who they are becoming.

KNOWN

Our faculty and staff know more than just your child's name. We recognize their unique challenges and interests, and ensure that every student is valued and heard.

CHALLENGED

Through academic and extracurricular programs, we challenge students to explore their passions and prepare them to succeed in all walks of life. As an Episcopal school, we educate both the head and heart in our student-centered environment.

Like brilliant fireworks going off in the night sky, during early development, there is an explosion of synapse formation between neurons called synaptogenesis. This rapid period plays a vital role in learning, memory formation, and adaptation early in life.

At TMI, we strive to facilitate an environment rich in variety that will create learning explosions and bring forth bright ideas.

LETTER FROM EXECUTIVE CHAIR

Dear TMI Community,

Upon the completion of the 128th school year of TMI Episcopal, I can't help but feel gratitude and joy for the resilient spirit of our campus and our community. Since TMI was founded in 1893, it has witnessed many triumphs and many trials in the world, including the first flight, television, World War I, the Great Depression, World War II, computers, landing on the moon, the Vietnam War, and the evolution of the telephone. Through all the ups and downs, TMI has stood proud and steady as a place of learning, a place of training, and a place of teaching students how to be servant leaders. As in times before ours, TMI has once again overcome a difficult period of history, COVID, and has demonstrated that nothing can dampen the power that is found in choosing joy each day.

I recently walked through the new Panther Park, visited the TMI Spirit Store, and attended a volleyball game. Our campus is so beautiful! I loved seeing the students at the game watching and cheering. I loved speaking with teachers who chose to be there on their personal time to support their students. The atmosphere was electric! Students were kind and respectful and full of school spirit. The whole experience, while brief, reinforced the strength of our community and was a living demonstration of TMI's mission. I am very proud to be a Panther.

As we reflect on TMI's achievements and celebrations of the past and present, we are

also looking to TMI's future and determining the best ways we can serve future generations of Panthers. We are excited to report that during the 2021-2022 school year, the TMI Board of Governors approved a capital campaign to address the needs of academics and infrastructure. Over the next three to five years, we will be considering the best ways to add additional classrooms and learning spaces that will accommodate our growing student body. We are excited at the prospect of building a physical campus that matches our incredible faculty, staff, and students. The campaign has already begun and we look forward to sharing ways for you to support TMI in preparing for the future of modern learning and providing beautiful new collaborative spaces on campus.

On behalf of the TMI Board of Governors, we would like to thank you for your contributions to our community. Many of you give to The TMI Fund, volunteer at school events, and provide treats for our teachers. Your gifts in all forms are very appreciated. There are a lot of schools that claim to have the best students and families, but we know that our school is the only one that actually does have the best. Each of you is important to us, and we are honored to serve TMI and its community.

TMI Episcopal is a non-profit 501(c)(3) organization. Like all independent schools, TMI relies upon philanthropic support to advance its mission and to provide new opportunities for growth and learning to its students.

Annual giving supports the yearly operating budget for the school and bridges the gap between the true cost of delivering excellence in education at TMI and the cost of tuition. Annual giving helps us invest in campus infrastructure, professional development, and enhancements to our programs without running a deficit from school operations.

We crossed the finish line and reached our financial need to build a new track, finished last summer, because of your contributions to the Annual Giving campaign.

Thanks to the support of 761 donors this school year, we surpassed our annual giving campaign goal. Through the incredible generosity of TMI's community supporting the Entrepreneur & Innovation Award Luncheon, Stars Over TMI, and The TMI Fund, we are proud to announce that we finished the 2021-2022 fiscal year strong!

AGAIN, I SAY, "REJOICE!"

THE TMI FUND
ALL IN FOR TMI
 involved. inspired. invested.

Annual gifts go beyond the basic needs of our school and provide one of the best educational experiences possible for TMI students. Since 1893, TMI Episcopal has educated thousands of young people, while preparing them for college and life, teaching them to inspire, lead, and live with purpose.

On November 17, 2021, TMI hosted Grandparents' & Grandfriends' Day and over 400 grandparents and their grandfriends were in attendance.

AGAIN, I SAY, "REJOICE!"

ENTREPRENEUR & INNOVATION AWARD LUNCHEON

With a crowd of over 350 guests, TMI Episcopal hosted its 2nd Annual Entrepreneur & Innovation Award Luncheon on Thursday, October 28, 2021, at the Witte Museum - Mays Family Center - in San Antonio, TX. Members of the TMI family and business community came together to recognize the outstanding achievements of this year's honoree, **Christopher "Kit" Goldsbury, Jr., Class of 1961**, and to celebrate the spirit of entrepreneurship and innovation at TMI.

Upon arrival, guests were greeted by student ambassadors and members of our Texas Military Institute Corps of Cadets. Highlighting TMI's academic approach to innovation and design thinking, exhibits were on display, with student and faculty representatives, from a variety of TMI programs including Fine Arts, Humanities, Innovation & Design and Robotics.

Master of Ceremonies for the event was TMI alumnus and WOAI San Antonio News Anchor, Robert Price, Class of 2002. In step with TMI tradition, the luncheon opened with the Texas Military Institute Corps of Cadets presentation of colors, followed by the national anthem. Event Chairs, Dawn Lafreeda and Lupita Corbeil, TMI parents to Connor and Cruise Lafreeda, Class of 2022, welcomed guests and shared remarks about innovation and the willingness to work hard to make your dreams come true.

Christopher, Kit & Angela Goldsbury

While guests enjoyed a delicious lunch catered by Absolutely Delicious, The Rev. Scott J. Brown, TMI Head of School, spoke about TMI's commitment to ensuring that our students are equipped with wisdom, integrity, service, excellence and reverence. Father Scott said, "We are committed to making sure TMI students are capable of solving problems, listening to others, and communicating ideas, and leading those around them. In essence, we seek to raise leaders who can adapt and lead no matter what field life calls them into." He went on to say, "The Walker Innovation Center, a space we call the center of creativity and wonder, is not the only place on our campus that inspires creativity and innovation, but is simply the hub. Our faculty, our programs, our culture, and our Episcopal identity are all spokes on the wheel of Today's TMI."

Moments later, Christopher Goldsbury, Class of 2023, took the stage as a surprise guest speaker to share his love and admiration for his father. "I can see all of TMI's qualities in my dad. I think that this school, along with many other factors, definitely shaped who he is as a person. He is full of wisdom, integrity, service, excellence, and reverence. He has shown sagacity in his business decisions and how he creates jobs and opportunities for thousands of people. He has demonstrated integrity through constantly being an amazing example for everyone around him."

Following Christopher's touching words, Father Scott presented Kit with the 2021 Entrepreneur & Innovation Award. As Kit accepted the award on stage, he captivated the crowd by sharing what entrepreneurship and leadership means to him. "Digging into the idea of innovation and curiosity, I reflected again on the path of my life that has led me here today. It has not always been a clear path, a direct path, or a straight path -- it's been a path filled with twists and turns, starts and stops and most importantly, the gifts, ideas and inspiration that curiosity has bestowed upon me."

I think that's an important lesson for students -- success is not always about knowing exactly what we should do. It's about having the curiosity and sometimes the humility to explore without knowing our destination and acknowledging what has been learned and who it has been learned from along the way."

#GIVINGTUESDAY

REJOICE! On November 30, 2022, the TMI Community came together and celebrated #GivingTuesday, a national day of giving in a BIG way. Our largest #GivingTuesday donor in 2020, (A YOUNG TMI Alumnus) was ALL IN! They agreed to not only give again, but to increase their gift AND anonymously match up to \$21,000 of gifts made during the 24-hour giving period. Panther Nation responded and exceeded our goal!

In a single day, generous people like you joined a global movement and donated \$101,578 to The TMI Fund! Donors like you empower our mission so that we can ensure each student at TMI is cherished, known, and challenged.

“TMI gave me a model of a community where I could learn, grow, laugh, and play surrounded by students and teachers who supported me in love. It opened my eyes to new ideas and different ways of looking at the world, empowering me to go out to serve and lead. Be a part of the great things our community is doing, and know that you can make a difference.”

TMI'S SUPER GENEROUS, INCREDIBLY INSPIRATIONAL, ANONYMOUS #GIVINGTUESDAY DONOR

Thank you to our 2022 Stars Over TMI Co-Chairs, Dr. and Mrs. Charles Clark '88 and Mr. and Mrs. Alan Bond.

REJOICE

Annual Stars Over TMI Gala Rejoices Over the Momentum Felt within the TMI Community

On Saturday, April 30, 2022, a record-breaking 410 guests came together in support of our school's annual Stars Over TMI gala and auction, selling out our largest fundraising effort of the year. This year's theme, *Rejoice*, was a beautiful celebration of our many blessings and the well-spring of joy from being able to reunite in person.

Members of the Texas Military Institute Corps of Cadets escorted guests into the luxurious La Cantera Ballroom at the La Cantera Resort & Spa, a beautiful space overlooking the La Cantera golf course. As guests mixed and mingled during the cocktail hour, they enjoyed live entertainment from Finding Friday, a polished, high-energy cover band based out of San Antonio, playing hits from the 70s–today.

Beautiful décor set the mood for a fun evening, and beverage stations, a selfie photo booth, auction displays highlighting this year's incredible class experience packages, Super Silent Auction items, and live auction packages adorned the area.

Attendees of this year's event represented members of the entire community, including parents, alumni, parents of alumni, grandparents, faculty, staff, and friends of TMI.

During cocktail hour, guests enjoyed hors d'oeuvres and fellowship as they also kept special attention to the mobile bidding taking place online during the Super Silent Auction.

The dinner and program opened with the presentation of colors by an all-female senior Color Guard from the TMI Corps of Cadets, and the national anthem.

Emceed by retired Army Major Joseph Claburn, Commandant of Cadets, the evening continued with a fun game of TMI trivia, exciting live and fund-a-need auctions, a raffle, and ultimately ended in a flurry of dancing.

Collectively, the TMI community raised close to \$273,000 for TMI through the raffle, tickets, sponsorships, underwriting, and auctions. Proceeds will benefit our annual giving program that supports academics and student activities, professional development,

technology, campus beautification projects, classroom improvements, and more.

Please save the date! The 2023 Stars Over TMI Gala will be held on April 1st at La Cantera Resort & Spa in San Antonio, Texas.

To further our reach in the disciplines of innovation & technology, a portion of the total amount raised will be used to purchase 10 digital keyboards and accessories, 10 drum machines, and music equipment for TMI's Digital Music Composition classes.

LETTER FROM THE ALUMNI PRESIDENT

Dear Panther Nation,

What a year! As the 2021-2022 school year kicked, there was such excitement and energy as we returned to the traditions and special events that we as alumni cherish about TMI. In such uncertain times, it's been reassuring to know that our alma mater continues to be strong and provide the excellent education that prepares rising alumni to be well prepared for life.

With great optimism we began the year with the Alumni Clay Shoot. The event had over 100 attendees and raised over \$19,000 to benefit the Alumni Association Endowed Scholarship Fund.

Soon came Homecoming where alumni returned to campus to reconnect with our school that we love. It was a joyous event full of fun and laughter as reunion classes relived their time at TMI. By October, we were feeling the momentum. The Entrepreneur & Innovation Award Luncheon had a great turnout to recognize Christopher "Kit" Goldsbury, Jr. Class of 1961. We were able to rekindle old friendships and welcome new friends into our community. We were back and we rejoiced!

By spring, we were in full swing! At the TMI Alumni Day and Hall of Fame Presentations that were held in April, we recognized a handful of distinguished alumni and "graduated" Alex Hernandez after 41 years of service to the school. I am so grateful we were able to have the time and space to celebrate these worthwhile individuals. Later that month, we also had our first-ever Rising Alumni Luncheon honoring the Class of 2022 where we congratulated and welcomed the newest alumni to TMI's Alumni Association.

What had started as a year of cautious excitement quickly ignited into an incredible year with packed events and exceeded goals. What a year indeed! Despite all the unknowns and uncertainties of coming out of a pandemic, we were able to accomplish these things and that's something I am very proud of. Now we need to keep the momentum going.

As an Alumni Association, we are here to help alumni stay connected to our school and with one another. Wherever you are, at whatever stage of life you are in, there's something here for you. I invite you to get involved in the exciting things that are happening at TMI.

Go Panthers!

ALUMNI EVENTS

Alumni Day & Hall of Fame

On April 1, 2022, TMI welcomed back nearly 250 alumni and guests during our 2nd Annual Alumni Day – an afternoon of celebration, tradition and community. The festivities included the 2021-2022 Hall of Fame induction ceremony and Alumni Reunion and Welcome Back Reception.

Established in 2015, the TMI Hall of Fame is an honorary society recognizing the exceptional contributions of outstanding alumni, with Distinguished Servant Leader awards for former faculty, staff and friends of the school. Inductees are recognized for exemplifying one or more of the TMI Core Values: Wisdom, Integrity, Service, Excellence and Reverence.

The 2021-2022 Hall of Fame inductees included Sergeant Major (Ret.) Turner McGarity, Deputy Commandant 1993-2009, Señora Sylvia González, Spanish Teacher 1997-2017 (posthumous) and the South Texas Academic League Championship Basketball Team 1961. As part of the special program, honorary alumna, Alex Hernandez, Associate Director of Alumni Engagement, was also honored in recognition of her legacy of 41 years of service at TMI. Congratulations!

Every one of our alumni, friends, current and former faculty and staff who attended the event added something special to the occasion.

Clay Shoot

September 2021 began with a highly successful annual Sporting Clay Shoot benefiting the Alumni Association Endowed Scholarship Fund. This year's event raised approximately \$19,500. Thank you to everyone who participated and helped support this important scholarship that benefits close relatives of TMI alumni.

Rising Alumni Luncheon

On April 20, 2022, our TMI Alumni Association hosted its first-ever Rising Alumni Luncheon honoring the Class of 2022. The purpose of the event was to congratulate and welcome the newest alumni to TMI's Alumni Association.

During the luncheon, Seniors were seated with alumni and were able to visit and share about their common experiences of being a TMI Panther. A special highlight of the event was the presentation of alumni lapel pins that were given to Seniors to mark their achievement and signify the pride and membership as a Forever Panther.

Thank you to **Ryan Kohnen '98**, Alumni Association President, for helping to host and MC. Special thank you to **Corinne Kennedy Kurth '93**, **Dr. Rudyard Hilliard '95**, **Aralyn Hilliard '21**, **JuliaGrace Walker '17** and **Moramay Braunstein '16** for participating in the panel. Other alumni in attendance were **Justin Sanderson '05**, **Beth Hawkins '97**, **Ricardo Mattoso '92**, **David Pavelka '88**, **Maj. Felipe Galvan '91**, **Daniel Gonzalez '13**, **Rev. Richard Aguilar '75**, **Stephen Santos '13**, and **Matthew "Matt" Ridewood '01**.

We look forward to making the Rising Alumni Luncheon a new tradition at TMI.

Close to 250 alumni and guests returned home for the 2nd Annual Alumni Day & Hall of Fame Awards on April 1, 2022.

Alex Hernandez Retires After 41 Years of Service

After 41 years of service to TMI, Mrs. Alex Hernandez “graduated” at the end of the 2022 school year from her role as a full-time faculty/ staff member. She is the first honorary graduate of TMI and was inducted into the 2022 TMI Hall of Fame.

TMI is grateful for the many years of dedication, hard work, and love that Alex gave to both the school and its community members. The caring impact she has had on the lives of our students during her time here—across her many positions—will be felt for years to come.

Alex began her journey with TMI at “Old Main” in Alamo Heights, TMI’s second campus. She has seen TMI transition to the current campus and helped it grow into the thriving community it is today. Over the past four decades, she has served in almost every department at TMI, but her favorite role has been working with alumni.

In July 2021, Alex returned to the Advancement Office, serving as the Associate Director of Alumni Engagement, leading initiatives in Advancement that foster a more vibrant and connected alumni community at TMI. Alex is a valued member of the TMI community and her vast amount of knowledge and experience enriches the TMI community each day.

Alex will continue part-time to serve TMI by working on special alumni projects to further advance the future and mission of TMI. She will continue her service until May 2023, when she will fully retire.

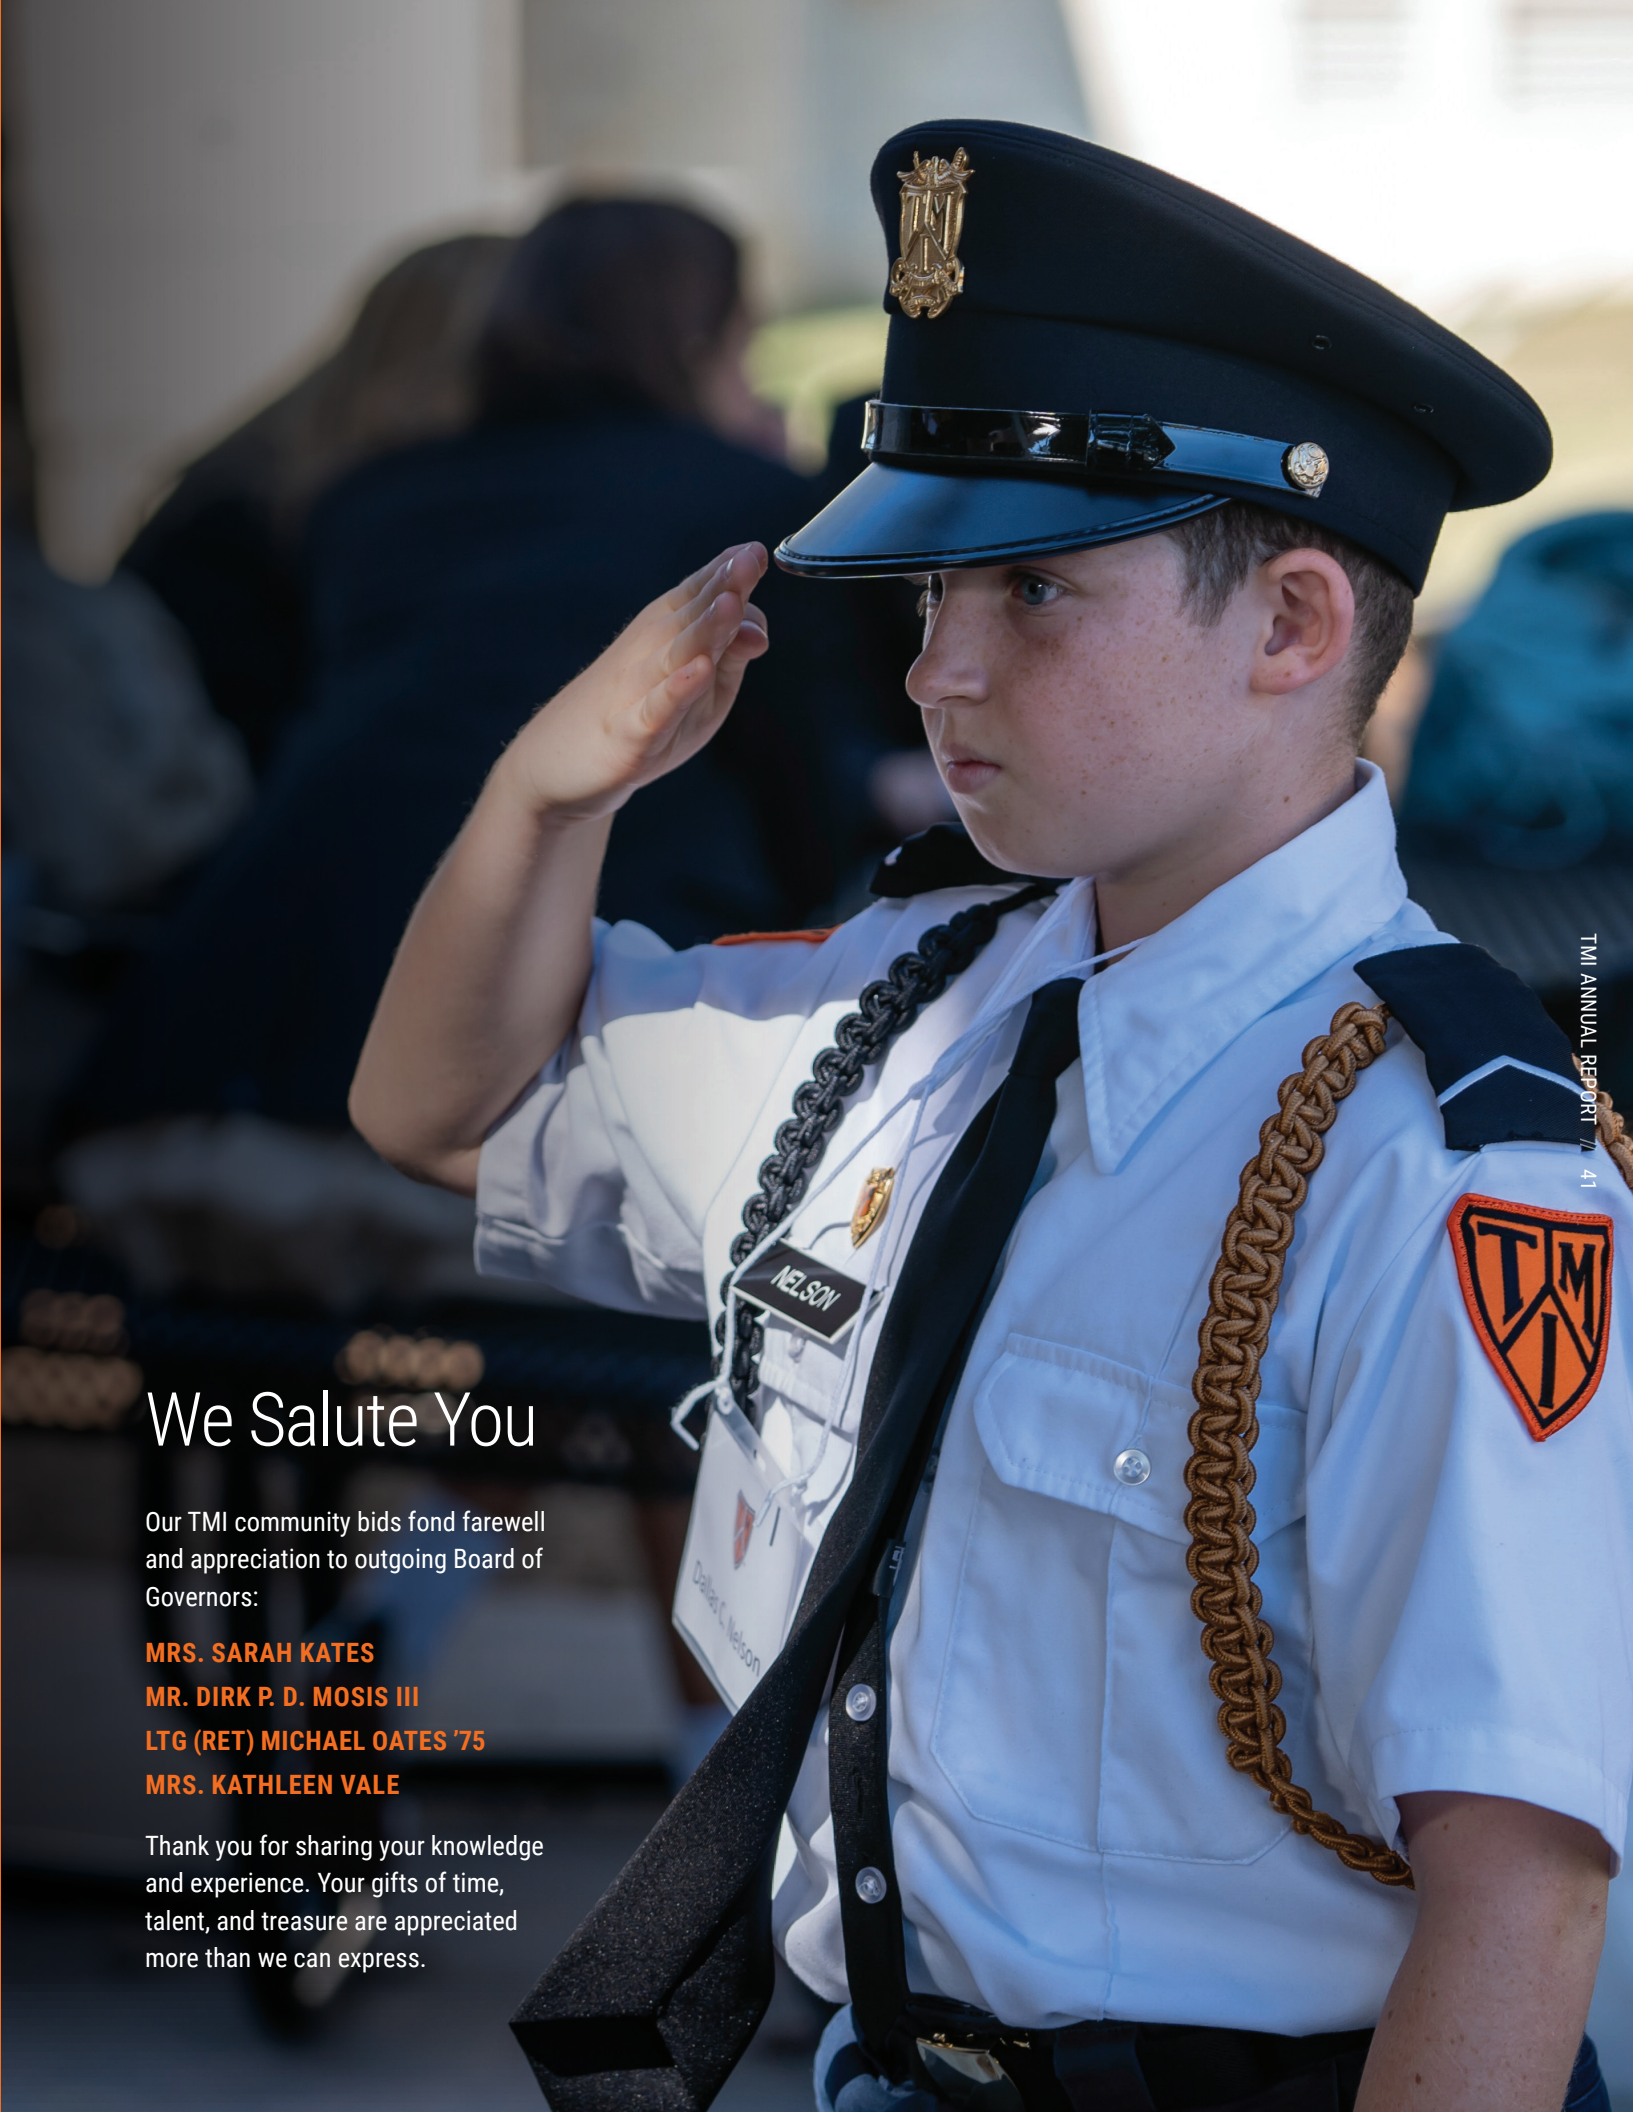

We Salute You

Our TMI community bids fond farewell and appreciation to outgoing Board of Governors:

TMI Alumnus, Victor Beck '47

Victor and Janis Beck

In May 2022, Victor Beck, class of 1947, celebrated the 75th anniversary of his graduation from TMI and we loved hearing about Victor's time and experiences as a student in the 1940s.

In his youth, Victor was a gifted student, which allowed him to skip two grades. He entered TMI as a ninth-grade boarding student at the age of only 12. Weighing about 90 lbs and standing at just 4 feet and 11 inches, he was not large enough in stature to compete athletically, but he excelled academically and had a deep dedication to the Corps of Cadets. Each morning, he began with a mile run, studied his courses, and carried out his orders. After ninth grade, he attended TMI as a day student and continued to develop habits of success, which was evident in him being a member of the National Honor Society and an officer in the Corps. As a 15-year-old senior, Victor had the unique experience of attending TMI with World War II veterans who returned from war and enrolled at TMI on the GI Bill. The discipline he learned in those formative years would become the foundation of his many accomplishments.

After Victor graduated from TMI at 16 years old, he attended college, majoring in business. He had also developed a love for baseball and his hours of pitching on a homemade mound at his parents' ranch paid off when he got to play in the minor leagues for a year with the opportunity to go pro — just like his hero, Ted Williams.

Ultimately, Victor joined the military after graduating from A&I Kingsville, now known as A&M Kingsville, and began his service to his country as an Army officer. He served in Korea as a post exchange officer, then returned home and began his own financial business.

Recently, Victor and his wife, Janis, spoke with TMI Episcopal about their decision to make a lasting impact on TMI with a legacy gift in their estate planning.

"I was inspired to make a provision in our estate plan that benefits TMI because of the wonderful foundation the school has given to me. TMI prepared me for college and military service, and gave me the discipline and confidence to succeed in business," said Victor.

Today, Victor and Janis continue to be impressed with the education TMI provides and shared with us that they are moved by the amazing projects planned and produced in the Walker Innovation Center. "This legacy gift and our annual support of The TMI Fund is a way of thanking TMI for continuing its efforts of educating servant leaders," said Victor and Janis. They added, "We encourage others with an allegiance to TMI to do the same."

Victor and Janis, who have been married for 47 years, have a beautiful life with many things to be thankful for and proud of. Victor, an avid golfer, even made a hole-in-one on his 90th birthday! Victor is a wonderful example of TMI's core values and we are proud to have him as an alumnus of our school.

To discuss leaving a legacy gift and becoming a member of the Texas Military Institute 1893 Society, please contact the Advancement Office, (210) 564-6241

TMI Alumni Victor Beck and Charles Noble, Jr. Class of 1947 celebrated their 75th Reunion at Alumni Day in April 2022.

The completion of TMI's brand new Panther Park was made possible in August 2022 thanks to the generosity of TMI donors. Panther Park offers shade and seating during drop off and pick up, a sport court, and flexible space for outdoor learning where students can relax, play and collaborate.

GIFTS OF SECURITIES

One of the easiest and most tax-savvy ways of giving to TMI is to give appreciated assets, such as stock. When you give appreciated assets, you avoid all capital gains tax and get a tax deduction for the full amount of the gift, as long as you have owned the stock for at least a year.

GIFTS THROUGH A DONOR-ADVISED FUND

Many people over the past few years have established Donor Advised Funds (DAFs) with a community foundation or a national brokerage firm. A DAF allows you to take the income tax deduction when it is most advantageous to you and make the contributions to charity when you would like whenever you would like.

Consider these creative ways to give:

IN HONOR & MEMORIAL GIFTS

Honor someone special for a birthday, graduation, anniversary or other milestone. Memorial gifts recognize someone who has passed away.

COMPANY MATCHING GIFTS

Company matched gifts can double your gift to TMI. Supporters will be recognized at the level of their total giving, including any matching gifts. See if your gift qualifies for a match through your employer.

MULTIPLY YOUR IMPACT WITH A RECURRING GIFT

Make your support automatic. Through our Recurring Gift Program, you can build a significant impact through monthly, quarterly or yearly installments. Make a secure gift online and indicate the frequency of the donation at www.tmi-sa.org/give

LEGACY GIFTS

There are a variety of ways to make a planned gift, all of which may establish your legacy, support TMI's current and future students, and help you realize potential financial and tax benefits.

Gifts to The TMI Fund are 100% tax deductible.

BUILDING MOMENTUM

The Moment Is Now.

The Moment is Now

We are excited to announce that TMI is in the early stages of planning to execute an exciting and bold vision that will address academic programs and infrastructure.

With the full approval of the TMI Board of Governors and the support of the Episcopal Diocese of West Texas, TMI has embarked on a capital campaign to expand and modernize its buildings, while including an endowment to sustain the facilities for decades to come. TMI will also address much-needed infrastructure issues including traffic flow, drainage, and deferred maintenance throughout the campus.

As a premier independent, Episcopal school,

TMI seeks to have a campus environment that fosters and supports the integration of academic excellence, character formation, leadership development, and innovative thinking.

We are called to help our students reach their full potential today in preparation for tomorrow's opportunities. Because of this calling, the moment is now. While it will impact our future, it must be a campaign for today.

We appreciate your support and are excited to share the full plans of the campaign with TMI's community in the Spring. If you have questions in the meantime, please contact Father Scott Brown, Head of School, at (210) 564-6158.

TMI provides an exceptional education with values based on the teachings of Jesus Christ that challenge motivated students to develop their full potential in service and leadership.

TMI Episcopal admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. The school does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, scholarship and financial aid programs, and athletic and other school-administered programs.

The 2021-2022 Annual Report lists all donors to TMI Episcopal from June 1, 2021, to May 31, 2022. We have prepared this report with care. However, in a listing of this length, errors can occur. If you notice any inaccuracy, please contact the Advancement Office at (210) 564-6241 and please accept our apology.
