TMI REPORT  
2022-2023

TMI Episcopal is pleased to present this report on school activities, finances and stewardship during the 2022-2023 year. This report celebrates the tremendous support of the entire TMI community and its commitment to advancing our school's mission.

<sup>18</sup> He said therefore, "What is the kingdom of God like? And to what should I compare it? <sup>19</sup> It is like a mustard seed that someone took and sowed in the garden; it grew and became a tree, and the birds of the air made nests in its branches."

## LETTER FROM THE PRESIDENT

Dear TMI family,

I truly love learning. One of my favorite things about serving the TMI school community is witnessing our students learn and grow each day. Learning and growing happens all over our campus, not just in our classrooms and not just with our students. I see our faculty and staff grow and adapt and learn how to best serve our community. I, too, want to grow and learn each year in order to best serve this amazing community.

Many schools help their students become smarter, but it takes a special school like TMI to recognize that growing our character is just as important, if not more important, than growing our knowledge alone. That is why we chose the theme “Love Is Patient, Love Is Kind” for the 2022-2023 school year. The world today does not simply need more brilliant minds. The world today needs brilliant minds who also have compassionate hearts and patient souls. It is the combination of head and heart that makes TMI such an amazing community and truly allows us to say we prepare our students to be servant leaders.

Our annual theme is so much more than words on a banner. It is the mantra that drives our daily chapel, sets the tone on our athletic fields, and is lived out through all of our amazing programs and student groups. Patience and kindness are essential tools in today’s world. Helping our students grow into their full potential means that we plant seeds, and by God’s grace, those seeds become “oaks of righteousness”. Planting patience and kindness helps ensure that our students are prepared for a world that demands so much. The 2022-2023 academic year was such a

great opportunity to highlight how important it is to model Christlike love through our actions. Being a patient person who is kind to others is one of the greatest ways to be Jesus in the world.

Last school year was our largest enrollment in school history and we had incredible success, both academically and athletically. TMI received AP Honor Roll recognition from the College Board at the Platinum Level, and received the Access Award, putting us in the top 6% nationally of schools that offer AP courses. We are also proud to have had seven National Merit Commended Scholars and introduced a new Introduction to Business and Entrepreneurship course which will lay the groundwork towards a larger curriculum. The senior class of 2023 garnered \$13,093,870 in scholarship awards. This is the largest amount of scholarship offers in the history of TMI. Athletically, TMI earned four state championships and five regional/district championships in addition to many individual accomplishments across all sports. In fact, TMI garnered more athletic success than any other school in TAPPS 5A last year.

As we reflect on this past year, we want to recognize the many supporters of TMI. It is through the generosity of each of you that TMI is able to teach lifelong learning, build patient and kind human beings, and plant seeds that bear fruit both today, and for generations to come.

Love,

The Rev. Scott J. Brown  
TMI Episcopal  
President

## CULTIVATING FUTURES

Thanks to the generosity of our donors, our teachers and staff continue a cycle of love.

1

Your generous gifts are the seeds, faithfully offered up and planted to raise great human beings.

2

Those seeds have taken root and blossomed into the steadfast, bountiful tree we know as TMI.

3

The faculty & staff here at TMI play the part of the daily caretakers, lovingly tending to each and every student.

4

With the love & guidance poured into our students, they begin to blossom into beautiful, healthy adults.

5

Full of truth, they will go out into the world to plant seeds of their own and the cycle of love will continue.

Your faith, but the size of a mustard seed, is fostering growth.

At the beginning of the academic year 2022-2023, our school proudly marked the initiation of a new chapter with an unprecedented milestone, boasting the highest enrollment in the school's history, as an impressive total of 552 students embarked on their educational journey within our esteemed halls.

Andrew, who is also missing the end portion of his little finger, created a prosthetic that slips onto the underdeveloped digit and bends when curling the other knuckle of that same finger. To our knowledge, this is the first prosthetic that uses minimal resources and has potential to be a low-cost alternative to expensive pieces of medical equipment.

### APPEARANCE AT TEXAS STATE ROBOTICS SEMIFINALS

TMI Robotics Team 6221 received the Design award for their robot and advanced to the Texas State semifinal competition.

### INCREDIBLE YEAR FOR DEBATE TEAM SENIOR

**Anish Beeram '23** was selected as a member of the USA National Debate Team. He was one of twelve students nationwide chosen to represent USA at national and international competitions. Selection for USA Debate was fiercely competitive and involved four rounds of elimination taking place over 3 months in which Anish advanced amongst hundreds of applicants to obtain this most prestigious position. This was the first time that a student from San Antonio has been chosen to represent the United States on the National Debate team, an honor that was highlighted in an interview with KSAT 12 News.

Competing against students from across Texas, Anish placed first in all of his rounds and first overall in Congressional Debate at both Westlake High School and Austin Liberal Arts and Sciences Academy tournaments.

### TMI REPRESENTED AT HOBY LEADERSHIP CONFERENCE

**Justin Khemalaap '24** and **Bernice Gitiche '24** were nominated to represent TMI at the Hugh O'Brian Youth (HOBY) Texas Capital Area State Leadership seminar at the University of Texas at Austin. The annual seminar provides opportunities for leadership development, interactions with local community leaders, hands-on leadership activities and participation in a community service project.

### MIDDLE SCHOOLER COMPETES INDIVIDUALLY AT MATHCOUNTS COMPETITION SERIES STATE QUALIFIER

**Caroline Percival** was the only individual "mathlete" competing without a team at the MATHCOUNTS Competition, held at St. Mary's University. Caroline was selected to compete in the live elimination round on stage, and did a fantastic job problem solving. She scored 14th overall, which qualified her to compete at the State MATHCOUNTS competition.

# LETTER FROM THE EXECUTIVE CHAIR

Dear TMI Community,

As we close in on our fundraising goal for our capital campaign, I'm humbled by the generosity of the TMI community and its impact on our school, our students and the wider world. I couldn't be more grateful that in an expanding universe of worthy causes, so many people have chosen to invest in our future.

Looking ahead to the coming year, we'll welcome the largest student body in our history – a new generation of servant leaders preparing to bring God's grace into a rapidly changing world. With waiting lists for nearly every grade, it's clear that our mission resonates widely among students, parents and the community.

At the same time, growth for its own sake has never been our purpose. I, and TMI as a whole, are blessed to have a deeply engaged Board of Governors setting the direction for our future. The student experience guides our planning – we will be large enough to offer a robust breadth of resources and capabilities, yet small enough to be a close-knit community, knowing and nurturing each student as an individual and child of God. In a world which seems to be driven by speed and scale, we keep our theme of "Love Is Patient, Love Is Kind" close to our hearts.

As excited as I am about our current students and parents, I'm equally thrilled about our deepening relationships with our alumni and long-time supporters. We're proud to celebrate the impact their TMI roots have enabled, and it's deeply meaningful to see so many of

them filling our events, from Stars over TMI to Military Ball to our Entrepreneurship and Innovation Luncheon. This commitment to our wider community touched me personally in April, as my daughter, Elizabeth (Class of 2017) was invited to campus to speak to the student body. Between the gratitude she was able to share with the teachers who meant so much to her and the enthusiasm of the students to meet and learn from one who came before, it was a powerful reminder of how special TMI is.

Looking ahead, the completion of our capital campaign stands as the dawn of a bright new day at TMI. The material investments we will make in our buildings and infrastructure will enable our community to invest more deeply in the future of our students and see Christ reflected in their gifts.

I am honored to serve as the Executive Chair of the TMI Board of Governors and I look forward to continuing to lead and serve this wonderful community. Go Panthers!

Love,

Carol Holmes

TMI Episcopal is a non-profit 501(c)(3) organization. Like all independent schools, TMI relies upon philanthropic support to advance its mission and to provide new opportunities for growth and learning to its students.

**Annual giving** supports the yearly operating budget for the school and bridges the gap between the true cost of delivering excellence in education at TMI and the cost of tuition. Annual giving helps us invest in campus infrastructure, professional development, and enhancements to our programs without running a deficit from school operations.

Your faith, but the  
 size of a mustard seed,  
 is fostering growth.

The generosity of more than 700 donors allowed us to not only meet but exceed our annual giving goal. The total \$775,000 raised reflects the incredible support and commitment of our community for the fiscal year 2022-2023.

THE TMI FUND  
**ALL IN FOR TMI**  
involved. inspired. invested.

Annual gifts go beyond the basic needs of our school and provide one of the best educational experiences possible for TMI students. Since 1893, TMI Episcopal has educated thousands of young people, while preparing them for college and life, teaching them to inspire, lead, and live with purpose.

# ENTREPRENEUR & INNOVATION AWARD LUNCHEON

On November 3, 2022, TMI Episcopal hosted its 3rd Annual Entrepreneur & Innovation Award Luncheon honoring TMI Alumnus **Scott Petty, Jr. '55**.

With over 350 guests in attendance, the event held at San Antonio Country Club in honor of TMI Alumnus, **Scott Petty, Jr. '55**, was quite the occasion.

Amidst the spirit of Entrepreneurship and Innovation, TMI proudly showcased several student exhibits, each a testament to the school's commitment to fostering creativity and forward-thinking. The presentations featured were Fine Arts with **Lindsay Blanton '24** and **Gretchen Tiede '23**, Humanities with **Allison Candler '25**, Business & Entrepreneurship with **Anacia Scogin '23** and **Reagan Shaw '23**, and Innovation & Design Thinking & Robotics with **Sabrina Bond '24**, **Mark Ervin '23**, **AJ Liang '23**, and **Marcelo Martinez-Sotomayor '24**. Guests were delighted to interact with and see the projects that the students had been preparing.

The proceedings commenced with Master of Ceremonies, **Robert Price '02**, extending a warm welcome to the esteemed gathering. The traditional presentation of colors by the TMI Corps of Cadets, singing of the national anthem, and a heartfelt Invocation by The Rev. Dr. Benjamin H. Nelson, TMI Episcopal Chaplain, set the tone for an evening filled with gratitude and reverence.

Liz Shaw and Angie Goldsbury, Event Co-Chairs, took center stage, expressing their deep appreciation for being a part of this momentous event. Their words resonated, echoing the pride they held for their children attending TMI and extending heartfelt gratitude to the guests for their unwavering support.

TMI President, Father Scott Brown, took the podium, weaving the tale of TMI's storied history and unwavering commitment to excellence in academics, character, and faith. He eloquently highlighted the institution's evolution, its strategic adaptations, and innovations, all while remaining true to its roots and cherished traditions spanning 129 years.

Father Scott Brown then turned the spotlight to Petty, the deserving recipient of this year's prestigious Entrepreneur & Innovation Award. Each year this award is presented to a member of The TMI Community that demonstrates TMI's core values of Wisdom, Integrity, Service, Excellence, and Reverence, paired with success in entrepreneurship or innovation, and positive impact in the greater community. In a touching narrative, Fr. Scott illuminated Petty's lifelong achievements, from his formative years at TMI and The University of Texas at Austin to his remarkable service in the Army Corps of Engineers. Petty's substantial contributions to entities like Petty Geophysical Engineering Company, C.H. Guenther & Son, and the Petty Group, alongside his dedication to family, were heralded as exemplars of TMI's core values.

Major Joe Claburn, USA, Ret., Commandant of the TMI Corps of Cadets, took the stage, offering heartfelt reflections on Petty's impact. Claburn's words painted a vivid picture of Petty's humility, professionalism, and unwavering commitment to the Corps. His establishment of an endowment fund to support the O.S. Petty Range and Rifle Team has made a positive impact on the students as they strive to become one of only four "Petty's Sharpshooters" each year. Claburn ended by thanking Petty for being a living example of everything we hope our students will become and for making a difference in the lives of so many children for many generations to come.

*TMI Alumni from 1947 through 2006 gathered for a group photo. We are so privileged to have amazing alumni who are servant leaders in their businesses and communities, and we are proud to call them Panthers!*

**"TMI was the incubator for my thoughts and future experiences, along with the military training that shaped my leadership."**

**SCOTT PETTY, JR. '55**

Following Claburn's tribute, Father Scott Brown had the honor of presenting the 2022 Entrepreneur & Innovation Award to TMI Alumnus **Scott Petty, Jr. '55**. Petty graciously acknowledged his family, colleagues, and friends, attributing his success to their unwavering support. He shared anecdotes from his journey, recounting early entrepreneurial endeavors that shaped his path and culminated in groundbreaking contributions to the geophysical exploration industry.

Petty delighted the audience with a story of one of his first ventures as an entrepreneur when he and his college roommate bought and then resold refrigerators to other students in the dorms. Through his creative buying method of laying out 30 brand new \$1 bills in front of the seller, he was able to acquire the \$50 refrigerators for only \$30, leaving room for profit.

"TMI was the incubator for my thoughts and future experiences, along with the military training that shaped my leadership," Petty acknowledged, expressing heartfelt gratitude for the pivotal role TMI played in his distinguished career.

The luncheon concluded with a heartfelt expression of gratitude to the sponsors and attendees whose generosity helped raise over \$78,000 for TMI's annual giving program, making a positive impact across every facet of the school and promising a brighter future for years ahead.

## ANNUAL GALA CELEBRATES THE GROWTH OF THE TMI COMMUNITY

On Saturday, April 1, 2023, a record-breaking 490 guests attended our school's largest fundraising event, the annual Stars Over TMI gala and auction. This year's theme, Love Grows Here, showcased the heart behind our long-standing learning institution, and together, we raised just over \$445,000 for our school.

Members of the Texas Military Institute Corps of Cadets escorted guests into the luxurious La Cantera Ballroom at the La Cantera Resort & Spa, a beautiful space overlooking the La Cantera golf course. As guests mixed and mingled during the cocktail hour, they enjoyed hors d'oeuvres, fellowship, and live entertainment from Finding Friday, a polished, high-energy cover band from San Antonio, playing hits from the 70s–today.

Attendees of this year's event represented members of the entire community, including parents, alumni, parents of alumni, grandparents, faculty, staff, and friends of TMI. Beautiful décor set the mood for a fun evening, and beverage stations, a selfie photo booth, auction displays highlighting this year's incredible class experience packages, Super Silent Auction items, and live auction packages adorned the area.

A new Mystery Grab Bag game was introduced this year, where guests purchased a chance to win prizes of great value hidden within identical TMI canvas tote bags. Prizes including \$250 gift cards to Kelly Wade Jewelry, an Apple Watch, AirPods, and more! The game was a big hit, selling out in just 40 minutes!

The dinner and program opened with the presentation of colors by an all-senior Color Guard from the TMI Corps of Cadets; TMI student **Hunter Van Delden '24** sang the national anthem.

The program, emceed by retired Army Major Joseph Claburn, Commandant of Cadets and TMI Chaplain, The Rev. Dr. Benjamin H. Nelson, continued with a fun game of TMI trivia, exciting live and fund-a-need auctions, and a raffle.

Collectively, the TMI community raised over \$254,000 for the TMI annual giving program that supports academics and student activities, professional development, technology, campus beautification projects, classroom improvements, and more.

In addition, over \$190,400 of the total amount raised will be used to purchase two much-needed school buses.

**Please save the date! The 2024 Stars Over TMI Gala will be held on April 5th at La Cantera Resort & Spa in San Antonio, Texas.**

Thank you to our 2023 Stars Over TMI Co-Chairs, Angie & Edward Robinson and Katherine & Ryan Thompson

## LETTER FROM THE ALUMNI ASSOCIATION PRESIDENT

Esteemed alumni,

As you read this letter our Alma Mater continues its tradition of excellence, and we are well underway into our 130th anniversary school year. Campus is buzzing with activity as administrators, staff, teachers, and students return to a flurry of activity. Songs and prayers rise in chapel, students' minds are saturated with the lessons of the day, cadets salute a hoisted flag during reveille formation, and our athletes work hard for the victories soon to come.

With the new school year comes many new faces in our Alumni Association leadership. It's both exciting and encouraging to see so many new faces willing to step up and serve our community. In that spirit, we are launching a major initiative which seeks to increase our alumni engagement across all fronts.

The foundation of alumni engagement starts with each class and identifying agents which can serve as a conduit back to the Alumni Association and the school. No one is more connected to a class than its own members, and the alumni association seeks to leverage class agents to improve communication and networking throughout our alumni ranks. I encourage anyone wishing to provide this leadership role for their class, or to sponsor some of our more "mature and distinguished" classes, to contact the TMI Advancement office.

Alumni engagement does not stop with keeping abreast of events transpiring at our school. For those who are able, maintaining a personal connection through attendance of alumni events and other school functions provides a meaningful link which further enriches our experience as alumni and mutually benefits the school and current students. This year will provide multiple opportunities to return to campus and/or attend events such as Stars Over TMI or the Military Ball. I challenge all alumni to make plans now and commit to attending at least one event this year!

We as alumni bear a special responsibility to act as the stewards of our great institution. Alumni, and our current students, stand on the shoulders of giants that have gone before us; multiple flag officers (including General of the Army Douglas MacArthur), Pulitzer Prize winners, leaders in our local community like Tom Frost, congressmen, astronauts, writers, nationally recognized artists, famous actors, hall of fame baseball players... the list goes on. Today our alumni continue this tradition of excellence, and we must pass this torch on to the next generation as we grow, mentor, and shape our future alumni.

Over the years I've chosen to stay connected with TMI. In many aspects I owe a debt to TMI that I cannot ever fully repay. As I suspect is the case with many of you, TMI's unique experience changed me in the best way possible resulting in a life dedicated to servant leadership. Those same experiences from our time as students continue daily in all aspects of our beloved school, and we must continue to support and build upon the legacy that is TMI.

In humble service,

*Christopher N. Adams*

# ALUMNI EVENTS

## Homecoming

TMI welcomed home alumni for the 2022 Homecoming and Reunion celebration. It was a wonderful evening full of friends and fellowship complete with delicious Rudy's BBQ. TMI alumnus and Team Captain of the '71 Championship football team, **Rick Palmer '72**, performed the coin toss before the game while alumni from many generations joined together to cheer on the Panthers. Although our team fell a little short of the win, it was a night to remember.

(L-R) Bruce Asmussen '71, Patrick Garcia '72 and Brian Smith '71 reunite at TMI's 2022 Alumni Homecoming.

## Alumni Day & Hall of Fame

On April 21, 2023, TMI welcomed back alumni and guests during our 3rd Annual Alumni Day – an afternoon of celebration, tradition, and community. The festivities included the 2022-2023 Hall of Fame induction ceremony, Alumni Reunion, and Welcome Back Reception.

Established in 2015, the TMI Hall of Fame is an honorary society recognizing the exceptional contributions of outstanding alumni, with Distinguished Servant Leader awards for former faculty, staff, and friends of the school. Inductees are recognized for exemplifying one or more of the TMI Core Values: Wisdom, Integrity, Service, Excellence, and Reverence.

The 2022-2023 Hall of Fame inductees included **Chris Carson '51, Peter Lewis '74, Jonathan Cluck '76, Dru Van Steenberg '78, Virginia Maurer '81** (posthumously), **Lane Sealy '48**, (posthumously), **George Sealy '44** (posthumously), and **Lee Travelstead '39** (posthumously). Congratulations!

During the event, **Dr. Bill Montgomery '48** presented to the TMI Corps of Cadets his Cadet Saber that he earned as a student at Texas Military Institute. Accepting this honor was the current Corps Commander, Cadet LTC Carson Moore.

Every one of our alumni, friends, current and former faculty and staff who attended the event added something special to the occasion.

## Clay Shoot

On September 16, 2022 TMI welcomed almost 100 guests to the 21st Annual TMI Alumni Association Modified Clay Shoot. The event was held at the San Antonio Gun Club and featured a shoot, a hot sauce competition, and dinner. Thank you to all of the alumni who attended the event and to the event's sponsors. With your help, we raised over \$10,000 to support the TMI Alumni Association Scholarship.

## Rising Alumni Luncheon

On April 26, 2023, our TMI Alumni Association hosted its second annual Rising Alumni Luncheon honoring the Class of 2023. The purpose of the event was to congratulate and welcome the newest alumni to TMI's Alumni Association.

During the luncheon, Seniors were seated with alumni and were able to visit and share about their common experiences of being a TMI Panther. A special highlight of the event was the presentation of alumni lapel pins that were given to Seniors to mark their achievement and signify the pride and membership as a Forever Panther.

Thank you to **Chris Adams '99** for helping facilitate and host the event. Special thank you to **JuliaGrace Walker '17, David Pavelka '88, Richard Aguilar '75, Samantha Cox '12, and Adam Reed '03** for participating in the panel. # Donor Spotlight:

## Retired Teacher, Soccer Coach and Dorm Parent, Mario Rivela

Mr. Mario Rivela is one of TMI's most beloved retired teachers. Teaching wasn't the only hat Mr. Rivela wore at TMI; He also coached soccer, drove the bus, and was a dorm parent. We're grateful to have a legacy such as Mr. Rivela's as part of TMI's incredible history.

Mario Rivela was born in Italy. He moved to Missouri with his aunt and uncle and attended Northeast Missouri State Teachers College, where he received his degree. Rivela came to America to practice medicine, but he couldn't speak English. He knew Latin and decided he could be a teacher of Latin. In 1959, Rivela registered with a teaching agency and got teaching placements in Latin and Spanish. Mr. Rivela was eager to teach and got on with the Webb School in Tennessee. At Webb, he went to the president of the school and asked if he could teach for a year. He spent five years at Webb, then went to Lake Forest Academy for one year, and back to Webb for a few more years. He explained that he was a very strict teacher and pushed his students to perform. At Webb, his two Latin classes were 99% grade average, with every class and all students.

After Webb, in 1967, Mr. Rivela came to TMI. He originally did not want to go to TMI, but his wife, Gladys Rivela, made him. Mr. Rivela was first hired as a dorm parent and teacher, but teaching was his favorite. He taught about five or six classes every year, and after class would run to change clothes and get to the soccer field.

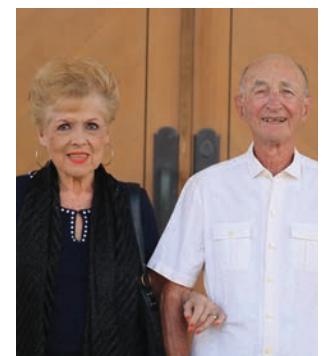

One of his favorite TMI traditions is the family-style formal dinners. The community would come together for dinners pretty frequently. He

also discussed the delicious meals at TMI, such as Sundays for filet mignon, potatoes, broccoli, and pecan pie. Mr. Rivela was a part of the moving crew as the supervisor, moving TMI from its old campus on Old Main to its current campus. He remembers staying in a motel across the street as the Senior dorm he would be staying in wasn't yet ready. Mr. Rivela saved the two big trees in what's known on our campus now as the Rivela Garden. He carried water from the apartment he lived in to the two big trees.

TMI was home for Mr. Rivela and his family. They had no relatives in San Antonio, so this became their home away from home. This inspires Mr. Rivela to keep giving back to TMI. He recalls many fond memories at TMI and continues to stay involved with the TMI community. The advice he has for current TMI students is to apply themselves as much as they can and to take advantage of the good teaching at TMI. Mr. Rivela elaborates that TMI has been very important to him and his family's lives, attributing that to his reason for why people should consider an estate gift to TMI. Along with that, he and his wife believe in education and studying, and enjoy the idea of leaving gifts for the kids and the school. Mario and Gladys Rivela are both excellent examples of TMI's core values and their legacy will continue to shine.

# BUILDING MOMENTUM The Moment Is Now.

## The Moment is Now

Exciting things are happening at TMI through Building Momentum, a capital campaign to address academic programs and infrastructure!

With the full approval of the TMI Board of Governors and the support of the Episcopal Diocese of West Texas, TMI embarked in 2022-2023 on a \$35MM capital campaign to expand and modernize its buildings, while including an endowment to sustain the facilities for decades to come. TMI will also address much-needed infrastructure issues including traffic flow, drainage, and deferred maintenance throughout the campus.

As a premier independent, Episcopal school, TMI seeks to have a campus environment that fosters and supports the integration of academic excellence, character formation, leadership development, and innovative thinking.

We are called to help our students reach their full potential today in preparation for tomorrow's opportunities. Because of this calling, the moment is now. While it will impact our future, it must be a campaign for today.

To date, the funds raised for the Building Momentum campaign total \$30.3MM - the most money raised through one campaign in TMI's history. This major milestone was made possible through the generosity of transformational gifts from members of the TMI Community. If you have questions and are interested in getting involved, please contact Father Scott Brown, President, at (210) 564-6158.

## GIFTS OF SECURITIES

One of the easiest and most tax-savvy ways of giving to TMI is to give appreciated assets, such as stock. When you give appreciated assets, you avoid all capital gains tax and get a tax deduction for the full amount of the gift, as long as you have owned the stock for at least a year.

## GIFTS THROUGH A DONOR-ADVISED FUND

Many people over the past few years have established Donor Advised Funds (DAFs) with a community foundation or a national brokerage firm. A DAF allows you to take the income tax deduction when it is most advantageous to you and make the contributions to charity when you would like whenever you would like.

**Gifts to The TMI Fund are 100% tax deductible.**

## Consider these creative ways to give:

### IN HONOR & MEMORIAL GIFTS

Honor someone special for a birthday, graduation, anniversary or other milestone. Memorial gifts recognize someone who has passed away.

### COMPANY MATCHING GIFTS

Company matched gifts can double your gift to TMI. Supporters will be recognized at the level of their total giving, including any matching gifts. See if your gift qualifies for a match through your employer.

### MULTIPLY YOUR IMPACT WITH A RECURRING GIFT

Make your support automatic. Through our Recurring Gift Program, you can build a significant impact through monthly, quarterly or yearly installments. Make a secure gift online and indicate the frequency of the donation at [www.tmi-sa.org/give](http://www.tmi-sa.org/give)

### LEGACY GIFTS

There are a variety of ways to make a planned gift, all of which may establish your legacy, support TMI's current and future students, and help you realize potential financial and tax benefits.

TMI provides an exceptional education with values based on the teachings of Jesus Christ that challenge motivated students to develop their full potential in service and leadership.
